## Highlights

In 2023 the Corinth Free Library fulfilled a goal from our Strategic Plan of Service. A free-standing structure was erected on the front lawn of the library with the purpose of providing shelter from the elements for those using the library's WIFI service during times when the library is closed. This was a truly collaborative project and included support both financially and in-kind by the Town and Village of Corinth and included grant funding from Saratoga County. A ribbon-cutting ceremony was held in December during Corinth's Hometown Holidays celebration, and the shelter was officially dubbed "Connecting Corinth." Ribbon cutters included Library Board members Franklin Bennek and Mo Kelly, staff committee member Michael Hadfield, Library Director Rebecca Fasulo, and Village Mayor Charles Pasquarell.
