It was with a heavy heart that we said goodbye to long time employee Michael Hadfield. Michael was with us for many years as head of Children's Services. During his tenure he started many programs including a rocket club. He was also instrumental in bringing Moon Rocks to our library in conjunction with NASA for a series of programs on moon science.

In April we welcomed Gretchen Morganstern as our new Head of Children's Services. She is very welcoming, has come up with some great themed ideas for story time. She has also started craft times and has interactive displays in the Children's Room. Please say "Hi!" the next time you visit us.
